2015 Capabilities Statement

Founded in 2009, Cynergy provides communications systems and integrated solutions worldwide to Federal, State and Local Government customers. Our experienced team provides technical solutions, systems integration, and professional services to address the unique needs of the government. As a VA VIP Certified SDVOSB, SDB, and SBA Certified EDWOSB and HUBZone Small Business, we work both as a Diversity prime contractor, as well as a team member helping large primes meet socio-economic goals.

Professional Services

Systems Engineering, Design, Installation & Maintenance for:

- Unified Communications & Collaboration
- Land Mobile Radio Systems
- Mobility and Data Capture
- Physical and Systems Security
- Virtualization
- Big Data Architecture & Administration
- Cloud and Everything as a Service XaaS
- Systems & Storage Modernization
- Tele-Med, Tele-Health, and Joint Information Environment

Products

Cynergy provides a full range Line-Card of Information Technology & Communications products and services from over 2,000 manufacturers. We have particular strength in managed services, storage, virtualization, cloud-based technologies, and next generation Land Mobile Radio Systems. Our top manufacturer partners are listed on our web site at www.cynergy.pro.

Cynergy Full Line-Card
